**ENTEK SYSTEMS, INC. AND ENTEK SYSTEMS, LLC’S UNOPPOSED  
MOTION FOR LEAVE TO FILE AN OPENING CLAIM CONSTRUCTION  
BRIEF IN EXCESS OF TWENTY-FIVE PAGES**

Defendants EnTek Systems, Inc. and EnTek Systems, LLC (“Defendants” or “EnTek”) hereby respectfully request leave to file their Opening Claim Construction Brief pursuant to Local Patent Rule 6.5 in a length exceeding twenty-five (25) pages.

Defendants note that Local Rule 7.1(D) states that without prior permission of the court, “briefs filed in support of a motion or in response to a motion are limited in length to twenty-five (25) pages.” However, claim construction briefs are filed pursuant to Local Patent Rule 6.5, and not in support of a particular motion. Therefore, because Defendants are unsure whether the page limitation applies to claim construction briefs, and out of an abundance of caution, EnTek

respectfully requests leave of this Court to allow EnTek fifty (50) pages for its Opening Claim Construction Brief. EnTek notes that the Court has already granted a similar motion filed by Comverge, allowing it fifty (50) pages for its Opening Claim Construction Brief.

EnTek has met and conferred with counsel for Comverge, and Comverge does not oppose this Motion.

A proposed order has been attached as Exhibit A for the Court's convenience.

Respectfully submitted this 22nd day of January, 2014.
